

Tellico Village Network is now available on your Roku Smart TV as an APP. If you would like to add this channel to your Roku TV, follow the step by step instructions below:

1. Press the **Home** button  on your Roku remote.
2. Scroll up or down and select **Streaming Channels** to open the Channel Store.

At the top of the Channel Store is a list of featured, new and popular categories to explore. You can enter a keyword in **Search Channels** to find choices based on the title of a channel. Below that are a variety of genres to browse.

- **Tip:** When browsing lists or channel grids, press the **Rewind** button  or **Fast Forward** button  on your Roku remote to jump up or down one page at a time.

3. When you want to learn more about a channel, press the **OK** button  on your remote to open the details. In addition to a synopsis and rating, you can preview screenshots of the channel. Look for the Channel Tellico Village Network

The channel is “free”. Then you can select **Add Channel** to install the channel on your Roku device.

4. If you have a Roku account PIN, then you will be required to enter it. If you do not have a PIN and wish to protect against unauthorized purchases, [learn how to create a PIN for your Roku account](#).
5. If your payment information is out-of-date, it will need to be [updated in your Roku account](#).
